- A copy of the registration papers must be available at show time.
- For breeding livestock classes that require production records, one copy should be located in the member's record book and one copy should be available for the judge.

Unruly Animals

- Members are encouraged to work with their parent or guardian and 4-H leader to decide if their animal is gentle enough and safe enough to participate at fair.

EXPRESSIVE ARTS

Art

Art has three divisions: **Original Art** is based on whether the entry is entirely original, **Crafts** that include components that have been designed or created by others, and **Pottery**. In all divisions, the member will be expected to create their work by applying the elements and principles of design.

Artwork is to be mounted for display, including jewelry. All jewelry exhibits must be mounted in some way to a board or fabric-covered board for display. All art and exhibits 3” or smaller **MUST** be mounted on a board as thick as mat board. The board for 3” or smaller exhibits should be no larger than 4” x 4”. Matting, spray fixatives and/or over wrap with plastic are acceptable for protection of the artwork. If an item is meant to hang, a hanger that will support the weight of the item must be securely attached. Adhesive plastic hangers are encouraged to protect other artwork. Two adhesive hangers per hanging art piece is suggested. They may be available through the county Extension office.

Artwork may not be framed with the exception of work done with chalks, charcoals, or pastels. If work done with chalks, charcoals or pastels is framed, light weight frames with plastic rather than glass should be used for protection during display. No wood frames or glass is allowed.

Exhibits should not contain parts that expose the public or volunteers to injury (i.e. sharp edges or points).

Exhibits are entered and displayed at the risk of the exhibitor.

Public display of exhibits will be at the discretion of 4-H management.

Each piece of an exhibit must be labeled on the back or bottom with the member’s name, county, and exhibit class number.

Exhibits that have more than one piece need to be tied together or connected together in some way so the pieces can be considered as one exhibit.

Original Art and Crafts exhibits will be evaluated using the judging criteria outlined on the Art Project Evaluation sheet (231-02). Pottery exhibits will be evaluated using the judging criteria outlined on the Pottery Evaluation Sheet (231-03). Forms are available at the county Extension office.

Exhibits must have a 4-H Expressive Arts Exhibit Explanation card (231-01) fully completed for art projects to qualify for judging. The explanation card must be folded inside a small plastic bag and attached to the exhibit. Be as thoughtful and comprehensive as possible when sharing the required information. The explanation should give the member’s name, county, and class number, as well as the intended use of the item, previous experience using this technique and a description of how it was made. Exhibits for the Celebrate Our World class must also include the Celebrate Our World Explanation Card (998-03).

The following classes are for still photography. Video projects should be entered under Communications.

Members may enter in up to **two** classes (no more than one entry per class) and be part of a club entry. Senior and Intermediate members may also enter one exhibit in the Celebrate our World class. All photos must show work done by the member. Public display of exhibits will be at the discretion of 4-H management. Exhibits are entered and displayed at the risk of the exhibitor.

To qualify for judging, a **fully** completed 4-H Photography Exhibit Explanation Card (241-01) and a Celebrate our World Explanation Form (998-03) if applicable must be attached. Judging criteria are outlined on the Photography Exhibit Evaluation Form (241-02). Forms are available at the county Extension office.

Photography classes are divided by subject matter or technique. If a photo includes more than one type of subject (i.e. people and animals), the member should decide which category is the most appropriate. Digital and film photos will be included in the same class except as restricted by the class description. Color and black and white images will be included in the same class according to subject or technique.

All single images must have one side, the shorter side, no less than 5.” The final exhibit size including either mount or mat, must be no less than 8” x 10” and may not exceed 16” x 20.” Any commercially available pre-cut mats that accommodate these size ranges are acceptable. Mats or mounts cut by the member must meet the size specifications.

Photos must be either mounted or matted with a rigid backing using any material firm or rigid enough to protect the photos on the backside and should not show when viewing the exhibit. Photos **MAY NOT** be entered only matted; they must have a backing for protection. The surface which shows from behind mounted-only photos or matted photos must be mat board. Poster board is not acceptable for mounting or matting.

Exceptions to photo size limits include:

No glass is allowed.

No writing or imprints on the photos (including date, name, or business imprints) are allowed.

No captions (except photojournalism class) are allowed.

Exhibits must be ready for hanging with adhesive plastic hangers spaced evenly and equally from each top edge with approximately ½ inch of the hanger showing above the mat/mount board to ensure the exhibit hangs level. If the weight of the exhibit requires more support, use additional secure hangers but be sure they are taped or covered in a manner to protect other exhibits from damage if exhibits are stacked. Adhesive plastic hangers may be available at the county Extension office.

Exhibitor's name, county, and the class number should be printed on the back of the exhibit. The club Technical Challenge exhibit must be entered under the **club name** and have the names of all club members participating listed on the back.

2023 Celebrate our World: The Caribbean (Intermediates and Seniors only)

To celebrate the diversity in our world, each year the Oregon 4-H project areas will focus attention on the cultures of a different country or region of the world. This special emphasis allows members to focus on learning about the country/region and the skills and techniques unique to that culture. Take a moment and select a country within this region to focus on and learn more about its people and culture. Then share how the knowledge you've gained has influenced your 4-H experience through a fair entry! Exhibits in the Celebrate Our World class must meet the exhibit requirements listed above. The Celebrate our World Explanation Card (998-03) is to be completely and thoughtfully completed and securely attached to the exhibit.

Food Preservation

Members may enter **four** classes in their age division and up to **two** different exhibits per class. Intermediate and Senior members may also enter an exhibit in the Celebrate our World class.

Members are encouraged to use recipes from reputable food preservation sources (i.e. OSU Extension or other University Extension Services, Ball Blue Book, pectin package inserts, or *So Easy to Preserve*). Current OSU Food Preservation publications can be obtained from the county Extension office or found at <https://extension.oregonstate.edu/mfp/publications>.

All recipes must meet current USDA recommendations which are located here: <http://nchfp.uga.edu/>.

All products, including all preserved products in gifts packs, must have a 4-H Food Preservation Explanation Card (512-07) with complete information and instructions/recipe. Entries in the Celebrate our World classes must also include the Celebrate our World Explanation Card (998-03). Explanation Cards are available at the county Extension office.

In addition, all containers must have label or tape with member **name, county, class number**. Label should be placed on the bottom of the container so product is visible.

Include jar rings on all canned products. Be sure all jars are properly sealed. Unsealed jars will be disqualified. For judging reasons, use clear jars only. Regular and wide-mouth Mason-type, threaded, home-canning jars with self-sealing lids are the best choice. Jars may be opened during the judging process. For this reason we strongly urge you to use smaller jars for your fair exhibits. Suggested are **4 oz. jars** for jams and jellies, **half pints and pint** jars for other products. Larger jars will be accepted, but food may be wasted as any opened jars may be emptied before returning after fair.

Dried foods should be exhibited in jars or sturdy plastic bags, with labels securely attached.

Make sure to follow the approved processing times listed for your product.

Judging criteria are outlined on the 4-H Canned Fruit and Vegetable Evaluation Sheet (512-04), 4-H Canned Meat and Fish Evaluation Sheet (512-05), 4-H Dried Foods Evaluation Sheet, 4-H Jam Evaluation Sheet (512-01), 4-H Jelly Evaluation Sheet (512-02) and 4-H Pickles and Relishes Evaluation Sheet (512-03), 4-H Flavored Vinegar Evaluation Sheet (512-08), 4-H Canned Broth Evaluation Sheet (512-09), and 4-H Gift Pack Check Sheet (512-08) available at the county Extension office.

This exhibit may include a technological component to add another dimension to the project such as illumination or interactivity or uses science knowledge or skills to otherwise enhance the project. Examples: An illumination added to a sewn backpack for safety; a design "burned" into a woodworking project created by a reaction between electricity and a chemical compound, etc.
