Type of Animal \_\_\_\_\_ How Many \_\_\_\_\_ # stalls/pens needed \_\_\_\_\_

**Livestock Exhibitors AND Parents or Guardian: please read and sign the following...**

\_\_\_\_\_ (4-H/FFA member) will properly care for their animal during the 2023 Sherman County Fair. This will include properly watering, feeding and cleaning of animal and stalls, as well as final cleanup of animal stalls at the end of the Fair. I understand failure to do this could cause member to appear before the Grievance Committee and may possibly be banned from selling his/her animal(s) after being warned about the improper care of exhibit by the Grievance Committee.
