

Small Animals

POULTRY

Superintendent: John Jensen Jr, 503-554-8997

Read Animal Science Rules and Health Requirements.

Each exhibitor may enter more than two birds in the same age class if types are of different breeds or varieties but cannot exceed seven animals per department.

NOTE: A pen is considered as one animal. All birds must have ID numbers and all birds must pass health check before being allowed in barn.

Breeds entered in the American Poultry Association (APA) classes are based on those birds found exclusively in the APA book titled, Standards of Perfection. The non-APA standard bred large fowl class would include birds found in standards other than APA, like the British or Japanese Standards. The crossbred large fowl class would include known backyard crosses, sex links and birds associated with OSU Animal Sciences Dept/Oregon Fryer Commission Pen of Fryers Contest.

All trios will be pen judged, including market chickens. Birds that are de-beaked or have clipped wings will be placed at the judge's discretion. Long sleeves are required for showmanship and breed classes. The new Oregon 4-H Showmanship procedure (4-H 1503) will be used.

COMPANION PETS & EXOTICS

Superintendents:

Read Animal Science Rules and Health Requirements.

Limit 2 animals per exhibitor. Proof of current rabies and distemper vaccinations for **cats** must be shown to the 4-H Superintendent upon registration and health check. Shots must have been given 30 days prior to show date. Cats may be purebred or household pets. Cats do not need to be registered or pedigreed in order to enter the 4-H Cat Show.

Members must provide their own cage/aquarium that allows exhibitor access to the animal (if that makes sense), and is also escape proof so the animal can be handled for the judge if appropriate and/or left in their environment during the interview discussion.

Exhibitors are responsible for any needs to “show” their animal – carpet, gloves, etc. It may also be appropriate for animals to have leashes, collars, strings tied, etc. so no loss occurs in an unusual environment – this will be by choice of the exhibitor and there will be no points off for securing the animal humanely.

Exhibitors will be asked a variety of questions regarding their animal, its care, how they came to own it, etc. Judging criteria will be based on member’s knowledge, interview presence, cleanliness and healthy appearance

of animal (if appropriate), and members comfort showing and explaining their animal.
