

Presentation Brainstorming Activity

Think of at least three general areas of interest you have. For each of these areas think of five topics you could do a presentation on.

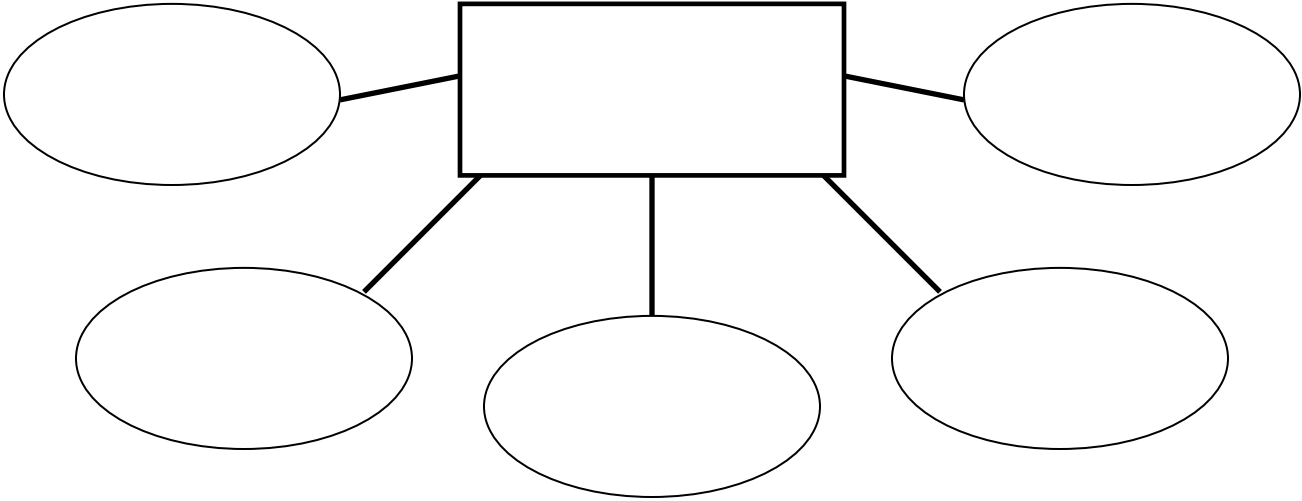

Example:

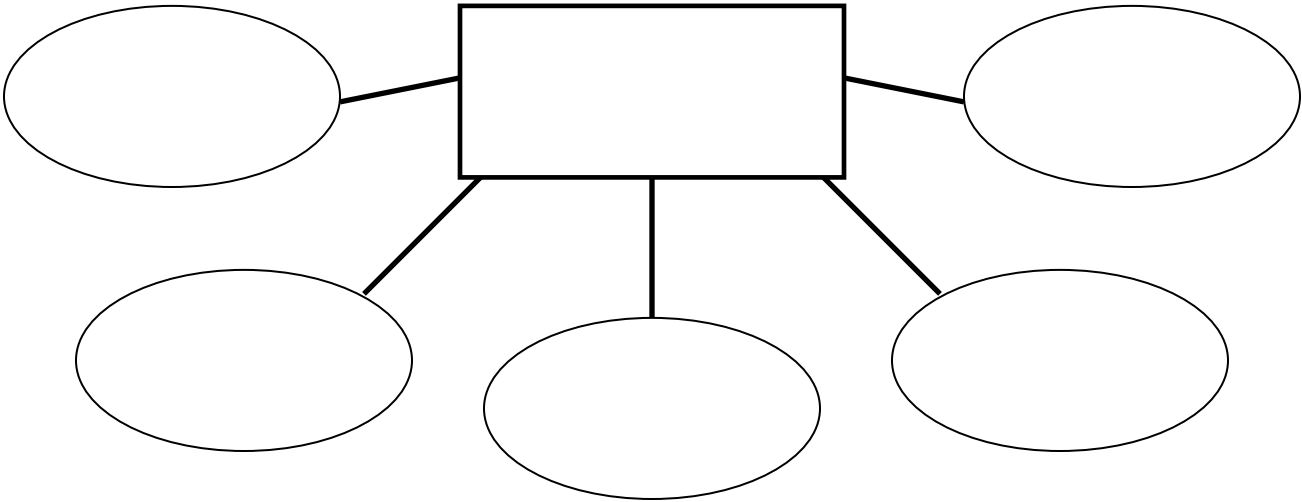

Possibility 1

Possibility 2

Possibility 3

Choose several of your favorite topics from your brainstorming possibilities. Then list subheadings or main ideas you could talk about on that topic. Write ideas for visual aids you could use. (If you can't think of any, maybe you could give a public speech on the topic.)

When you are done, look over all of your ideas. Determine what type of presentation would be best for that topic. Finally, choose the one that interests you and that has several subheadings you can talk about. Preparing your presentation will now be easy!

Examples:

Topic Idea	Topic Idea	Topic Idea
<p style="text-align: center;">Hamsters</p> <p>Subheadings/Main Ideas</p>	<p style="text-align: center;">Making Smoothies</p> <p>Subheadings/Main Ideas</p>	<p style="text-align: center;">Equine Euthanasia</p> <p>Subheadings/Main Ideas</p>
<p>1. Types of hamsters</p> <p>2. Housing and bedding</p> <p>3. Feed and water</p> <p>4. Grooming</p> <p>5. Showing</p>	<p>1. Nutrition</p> <p>2. Recipe</p> <p>3. Ingredients</p> <p>4. Show how to make</p> <p>5. Food safety</p>	<p>1. Why you would do</p> <p>2. Methods</p> <p>3. How to decide</p> <p>4. My experience</p> <p>5. Who to talk to</p>
<p>What visual aids could I use?</p> <p>Hamster Cage/bedding Toys Food</p>	<p>What visual aids could I use?</p> <p>Blender Ingredients Cool Cup Recipe</p>	<p>What visual aids could I use?</p> <p>Not sure; pictures might be too disturbing</p>
<p>This would make a good Illustrated Talk because there are several ideas to talk about, it is educational, there are interesting visuals to use.</p>	<p>This would make a good Demonstration because there is a step process I can demonstrate, there will be a finish product to share.</p>	<p>This would make a good Public Speech because there are no visuals, I can share a personal story, I can get the audience to react.</p>

Topic Idea	Topic Idea	Topic Idea
Subheadings/Main Ideas	Subheadings/Main Ideas	Subheadings/Main Ideas
1.	1.	1.
2.	2.	2.
3.	3.	3.
4.	4.	4.
5.	5.	5.
What visual aids could I use?	What visual aids could I use?	What visual aids could I use?
This would make a good:	This would make a good:	This would make a good:
