A JOURNAL DEDICATED TO ACTIVE CITIZENSHIP IN YOUR COMMUNITY.

Leadership: Character Development

As a leader, your followers will want to know who you are as a person. They will be looking for positive qualities that they know will lead them to a brighter future. Some of these include trustworthiness, honesty, loyalty, respect, caring and kindness, and responsibility. What others think about you is up to you and how you present yourself. So when you step into a leadership position, who do you want to be? This does not mean change who you are, but be the best version of yourself and others will begin to follow!

Set Your Own Goals!

**READY,
SET ...
GOALS!**

After a year of learning about citizenship, it is time to apply what you learned! At your Community Club meeting this month, create a list of three goals for yourself. These goals should be focused on engaging more as an active citizen in your club and community and practicing good citizenship. Next, work as a group to develop three citizenship goals for your club. How will the club be more civically engaged next year?

County and State Ambassadors

County and State Ambassadors are 4-H members who are seeking to take their leadership skills to the next level and who want to be a role model for other 4-H members. [Lane County Ambassadors](#) get the opportunity to be the public voice for Lane County's 4-H program. [State Ambassadors](#) are youth who want to learn higher level leadership skills and represent Oregon 4-H. Ask your 4-H Agent how to apply!
