

“Friends of 4-H Award” Nomination Form

Stan Walters Memorial

In 2009, the 4-H Leaders Association established a “Friends of 4-H Award” to commend those businesses and individuals in Lake County that stand in support of the 4-H youth of Lake County and the Lake County 4-H Youth Development Program. This Award is given in memory of Stan Walters who passed away in 2008. Stan was a strong supporter of Lake County 4-H and a firm believer in helping young people to learn new things and gain responsibility.

One business and one individual are selected annually to be presented with the “Friends of 4-H Award” during the 4-H Recognition Ceremony held the Sunday morning of the Lake County Fair & Round Up. Award recipients receive a personal plaque and their name is included on a plaque displayed at the OSU Extension Office.
