STEP IT UP 2020

4-H SHORT-TERM EDUCATION PROGRAMS

STEP Classes are open to 4-H members and non-members alike to try out new activities and get a taste of all 4-H has to offer. The STEP It Up Winter series takes popular skills from the Fall and challenges youth to STEP It Up by honing their abilities through multiple sessions. These classes are designed to prepare youth to enter an exhibit or contest at fair; if this is of interest to your child, please contact your class leader and/or Dana Utroske.
