## General Rules

1. A member may own, borrow, share, or lease a horse for a project. A shared project animal is defined as only immediate family members or two non-family members sharing the same horse including care and training responsibilities. Members borrowing or leasing horses for their 4-H project must have a lease agreement stating all conditions for the care and use of the horse. A copy of this lease agreement should be in the member's 4-H records. Members and families must recognize that they may need to make choices when two members sharing a horse are in the same class or are competing for championships.
2. 4-H members should be responsible for all grooming, training, and care of their horse(s).
3. 4-H members participating in any 4-H equestrian activity must wear an approved helmet whenever they are mounted on an equine or in a vehicle (cart, buggy, etc.) being pulled by an equine. The helmet must be properly fitted with the harness engaged according to manufacturer's instructions. It is recommended that members wear their ASTM/SEI helmets any time they are around their horse.
4. As of January 1, all horse's age will advance one year.
5. Clubs must be represented by leader (or parent or member) at a minimum of 5 Horse Advisory Committee meetings to maintain a "leader in good standing" status, which gives the volunteer fair benefits and voting privileges.
6. Exceptions to the Horse Project rules must have the approval of the 4-H staff, who may request consultation from all elected officials of the Horse Advisory Committee.
7. **Members should be familiar with the various horse project manuals and resources, which can be purchased from the Extension office or accessed on the Oregon State 4-H website at <https://extension.oregonstate.edu/4h/animal-science-projects#horse>**

## Fair Eligibility

1. Exhibitors are expected to know and follow all 4-H General Rules and Animal Science Rules.
2. Rules in the current "4-H Horse Contest Guide," PNW 574 take precedence over county horse rules (available at the Extension Office and on the State 4-H website).
3. 4-H members must be in POSSESSION of their horse (leased or owned) 90 days prior to County Horse Fair. Following Declaration Day, the horse may only be ridden or exhibited by any 4-H member currently enrolled in Jackson County 4-H or by an immediate family member. A trainer or instructor may assist or teach members between Declaration Day and Fair, but may not ride or train the member's horse.
4. On Declaration Day in April, members are required to provide proof of ownership in the form of photocopies of registration papers, bill of sale, statement of ownership or the lease, along with a photograph of each declared horse and back up horse(s).

5. If a horse substitution is necessary any time after Fair Declaration Day, the member may show their declared backup horse. If the horse was not declared, a request can be made to the Variance Committee, which includes at least two horse superintendents, for substitution approval. All successful requests may show at the county level for Blue/Red/White ribbons only, and will not be eligible to exhibit at State Horse Fair.
6. All horses participating in fair are required to participate in an equine event/show prior to attending County Fair Registration. Examples include: 4-H Field Day, 4-H Pre-Fair, OHSET, Open/Breed/Gaming Shows, and educational clinics. Proof of attendance, such as a registration form, must be added to the project records. Substitutions of this requirement will be made at the discretion of the Variance Committee by filing a variance request. Exceptions to this rule are Suckling foal, Yearling and Two-Year old.
7. Every participant must have their horse project records checked prior to fair on a specified date in June in order to compete. All paperwork must be current and complete on ALL horses that are eligible for Fair. If these records are not complete by the due date, the member will be required to fill out a variance request and get approval from the Variance Committee in order to compete for awards beyond a blue, red, or white ribbon. The following parts of the record book will be checked:
  - a. Horse Project Records
  - b. Proof of show for each horse that did not attend a Jackson County 4-H event.
  - c. Lease information.
  - d. General Advancements (per age level). Members must pass the following advancement steps:
    - i. Junior-Step 1
    - ii. Intermediate-Step 1 and 2
    - iii. Senior-Step 1, 2, and 3
  - e. Members who want to do Trail, Driving, Gaming, Jumping (excluding Trot-A-Pole), and any Ranch Horse Divisions (Working Ranch Horse, Ranch Horse Trail, Cow Working, Roping and Identifications and Skills) need to also pass the appropriate advancement step in these divisions to participate at fair.
  - f. Leader approval for Hunt Seat Equitation over Fences form (if applicable).
  - g. Medication and Supplement Declaration Form (if applicable).
  - h. Participation and completion of one contest in the County Judging/Hippology contest is required of every member to compete at County Fair. Qualifying Judging/Hippology contests are the previous County Fair, winter and spring contests.
8. Members must use the same horse for Showmanship, Equitation, Dressage, Trail, and Jumping. Members may use a different horse for Gaming, Working Ranch Horse, Driving, In-hand Trail and colt training.

## Rules at the Fair

1. Exhibitors are expected to follow all Jackson County 4-H General Rules, Animal Science Rules, and Animal Health Requirements. For all other class requirements and procedures, refer to the "4-H Horse Contest Guide," PNW 574.
2. Flag try-outs occur before fair. Carrying a flag is a great honor and requires skill to be done safely. Tryouts are the safety check. Seniors are given priority, and then intermediates.

3. Each exhibitor is responsible for the personal daily care of his/her horse. During the duration of the Fair, all participants will be expected to be present daily.
4. Any horse with chronic or acute lameness must have a veterinarian exam to determine whether it will be permitted to participate at Fair. If any medication is given or a veterinarian is called during Fair, the 4-H Staff and/or Superintendent must be notified. If a horse goes lame at County Fair and the horse owner refuses a veterinarian exam, the horse will not be allowed to participate.
5. Any infraction of the rules may result in earning only Blue/Red/White ribbons or disqualification and forfeiture of premiums, special awards and State Fair eligibility.
6. Arena riding patterns are made and approved at the discretion of the judge.
7. There will be callbacks for Showmanship, Equitation, Trail, and Gymkhana, if numbers allow.
8. At the end of each section, those qualified for Championship Classes will be announced and posted as soon as possible. Championship Classes will be decided by the following:
  - a. Only blue ribbon recipients are eligible for Championship Classes.
  - b. All Scores of 90 and above with a minimum of four in a class are automatically entered into the Championship Class. If only two have a score above 90, the fair secretary will drop in scores until four members are included, as long as the member has a blue. Example: Seven riders with scores of 89 pick up all seven. If at 89 there is only one, secretary will drop to 88 and so on until there is a minimum of four riders. If there are no blue range ribbons in the class, then there will be no Championship class.
  - c. Judges will decide if performance warrants Champion Ribbons.
  - d. Ties will be broken by the decision of the judge choosing from these options: a) maneuver/obstacle from Dad Potter, b) question from the Horse Advancements.
  - e. Purple ribbons will be awarded to all members who do not receive a trophy in the Championship Class.
9. First year classes will have less difficult patterns than the standard age group and are not eligible for State Fair Competition.
10. Only one walk/trot horse is allowed per exhibitor. Members exhibiting in walk/trot equitation classes will not be allowed to canter in any of their classes with the same horse.
11. **Arena Safety:**

  - b. A leader or an adult must be present for a rider or a group of riders to ride.
  - c. The adult on arena duty has the final say.

  - e. Check with leader for lunging times.
  - f. Standing or while mounted on your horse under the cross bars on the north side of the Isola arena is not permitted and will be strictly enforced.

### CRITERIA FOR 4-H FAIR AWARDS

1. Champion of Champion – Showmanship, Trail, Equitation (Western or English) & Gymkhana. There are no county quotas for State Horse Fair. Instead, there are qualifying scores or times for each specific event. Contestants must first qualify with their equitation/showmanship score before they qualify for trail, dressage, or hunt seat over fences. Carefully read the qualifying rules for each event below.

**Contestants must use the same horse in all events except for Ground Training, driving classes, and Gaming. In addition, in every event, contestants must use the same horse they qualified with at their county fair.**

Showmanship is required of all contestants, **AND** you can only do showmanship once. All showmanship will be on the same day.

### Equitation and Showmanship

To qualify for State Fair in showmanship and equitation (hunt seat, saddle seat, or western), contestants must have received a minimum combined score of 170 (in equitation and showmanship) at their county fair, and each individual score must be 80 points or higher. In addition, they must have used the same horse in both classes.

For members who ride multiple seats, the highest equitation score must be used to determine eligibility. Then, if members have received a score of 80 or above in other seats on the same horse, they may ride those seats as well. The same horse must be used for all equitation classes.

## Trail

Contestants who qualify for State Fair in equitation/showmanship may also enter Trail if they received a blue ribbon in that event at their county fair using the same horse as used in equitation/showmanship.

## In-Hand Trail

Contestants who qualify for State Fair in ground training or with a non-ridden animal in reinsmanship or precision driving may also enter in-hand trail if they received a blue ribbon in that event at their county fair using the same equine.

## Dressage/Western Dressage

Contestants who qualify for State Fair in equitation/showmanship may also enter Dressage if they received a score of 58% or higher on any Dressage Training Level Test 2 or 3 or any First Level test at their county fair using the same horse as used in equitation/ showmanship. NOTE: Training Level Test 1 is not eligible for State Fair.

Additionally, contestants who qualify for State Fair in equitation/showmanship may also enter Western Dressage if they received a score of 58% or higher on WDAA Basic Level Test 2-4 or Level 1 Test 1-4. NOTE: Training Level Test 1 not eligible for State Fair.

## Both Disciplines

58% and up	Blue ribbon
50 – 57.99%	Red ribbon
49.99% and below	White ribbon

Riders may ride only one test in each discipline at State Fair, and it must be the test they rode at their county fair and in which they received the qualifying score.

A member who scores 62% or higher at State Fair must progress up to the next test the following year. (The requirement to move up does not apply to a new horse or in test change years.) The 2019 tests must be used. If a dressage exhibitor has “scored out” of 4-H Dressage and must move up to a test beyond First Level, please have the exhibitor contact 4-H staff member in charge of horse statewide for an appropriate state fair solution – we will likely be able to accommodate this member.

The short court will be used for Western Dressage and Training Level tests and the standard court for First Level tests.

## Hunt Seat Equitation Over Fences

Contestants who qualify for State Fair in equitation/showmanship may also enter Hunt Seat Equitation Over Fences if they received a blue ribbon in that event at their county fair using the same horse as used in equitation/showmanship and if they received the blue ribbon performing over an approved qualifying course. A qualifying course must have a minimum of six different fences with at least three of them at a 2’9” (or 2’6” respectively, depending on age group) height and spread. There must be at least one combination jump and one change of direction.

At State Fair, a selection of warm-up fences will be provided. (2) All contestants must be approved by the on- site official over these warm-up jumps before attempting the full course.

## Reinsmanship

Contestants may only enter one reinsmanship class at the State Fair, and there are two ways to qualify.

Contestants who qualify for State Fair in equitation/showmanship may also enter reinsmanship if they received a blue ribbon in that event at their county fair using the same horse or pony as used in equitation/showmanship.

Contestants may also qualify with their non-equitation horse or pony if they received a minimum combined score of 170 (in reinsmanship and showmanship) at their county fair. In addition, all scores must be 80 or above. The showmanship score can be from their equitation horse or their driving horse. If contestants are not showing an equitation animal in showmanship, they must exhibit their reinsmanship animal in showmanship.

## Precision Driving

Contestants may only enter one precision driving class at the State Fair, and there are two ways to qualify.

Contestants who qualify for State Fair in equitation/showmanship may also enter one precision driving if they received a blue ribbon in that event at their county fair using the same horse or pony as used in equitation/showmanship.

Contestants may also qualify with their non-equitation horse or pony if they received a minimum combined score of 170 (in precision driving and showmanship) at their county fair. In addition, all scores must be 80 or above. The showmanship score can be from their equitation horse or their driving horse. If contestants are not showing an equitation animal in showmanship, they must exhibit their driving animal in showmanship.

## Ground Training

To qualify for State Fair in Ground Training, contestants must have received a blue ribbon in ground training at their county fair. A county may send a total of 8 ground trainers (four seniors and four intermediates). The horses may be either yearlings or two-year olds. The same person may show both a yearling and a two-year-old. If contestants are not showing an equitation animal in showmanship, they must exhibit their ground training animal in showmanship.

## Western Gaming

To qualify for State Fair in Gaming, contestants must have met the blue ribbon qualifying time at their county qualifying event, in each event entered on the same horse they are exhibiting in timed events at state fair. If members are not showing another animal in showmanship, they must exhibit their gaming animal in showmanship. The same horse must be used in all gaming events.

Members who qualify in at least one Western Gaming event with a qualifying time, may choose an additional Western Gaming event in which to participate. *(This is a trial for 2 years, beginning 2019)*
