## **DID YOU KNOW WE OFFER FREE DIAL GAUGE INSPECTION ?**

**Dial Gauges should be checked for accuracy and overall condition every year prior to the beginning of canning season!**

Pressure Canning Gauge testing is done on Tuesday and Thursday mornings. We test Presto brand gauges and you are welcome to drop off your lid/dial (no pots) any time M-T 8:00-5:00 (closed for lunch 12-1) or Fridays before noon. Your gauge will be tested and ready for pick-up after 1:30 of the following testing day.
