Hello 2022 Morrow County 4-H Cloverbuds!

We are excited to have you participate in the 4-H program this year! This outlines some of things that you can participate in while attending your regular club meetings and activities. If you have any questions, please contact Erin at the Extension Office 541-676-9642 or erin.heideman@oregonstate.edu.

Record Book:

You are encouraged to complete a record book during your Cloverbud year. This is not required, but you do have the opportunity for awards and recognition at our annual Achievement Awards night every fall. The book is in this packet and it can be used to help guide you in your 4-H year. Your record book will be due to the [Extension Office on September 19, 2022](#) like all the other 4-H kids.

County Fair Entries:

Here is a link of what Cloverbuds can enter at county fair in the 4-H division. Remember that you can enter items in Open Class too. So if you make cookies for 4-H, enter them in Open Class too! Open Class is managed by the county fair office; 541-676-9474 or <https://www.co.morrow.or.us/fair/page/county-fair>. Save all of your school artwork and enter it! To save time, write your name, category and number on the back.
