During this state of emergency for COVID-19 we have adjusted the way we will be declaring horse by April 14, 2021. The following are our plans to accomplish our 90 days before fair deadline:

- If you are returning from last year, your leaders should have your last year packets
- Please fill out this form completely and attached the required documents for each horse you have listed
- Turn in the full packet into your leader
 - They will sign the coversheet and bring them to declaration on April 14, 2021
 - Or they will mail (post marked by April 14, 2021) to Andrea Cordova at 1231 La Loma Dr., Medford OR 97504
- If the form is not emailed or postmarked with the date of April 14, 2021 or earlier, we cannot accept the form.
- If the packet is not complete the horse that is missing documents will not be declared
- Please ensure your leaders have everything they will need to have a successful declaration day
- If you have any questions, please contact Andrea Cordova at 541-324-2821 or Becky McNamee at 541-531-5203
