WHAT'S UP?

Dear 4-H Members and Families,

We are thrilled to announce an exciting development that has been happening at our Coastal stores! As part of our ongoing commitment to support the 4-H community, we have initiated a “round up” campaign to allow customers to choose to round up their purchase totals, donating the extra change to the 4-H groups served by that store location. Roundup donations are based on enrollment in the county. The more members in your county who sign up, the more money will be donated to your area. Bring your friends, bring your members, and sign up today!

To further celebrate our partnership with 4-H, we are delighted to offer exclusive benefits to the 4-H members who sign up for our program:

- **Project-Specific Discounts:** Enjoy 10% off on selected items that are perfect for your project needs.
- **Welcome Email Perks:** A detailed list of discounted items will be included in your sign-on email so that you know exactly what savings you can look forward to.
- **Apparel Discount:** Receive a one-time 20% off coupon for apparel, presented in your welcome email packet.
- **Sign-Up Day Specials:** Attend our in-store sign-up event and receive promotional items to kickstart your 4-H journey.

How to Sign Up for the 4-H Program

Joining our 4-H program is a simple and straightforward process. All sign-ups will be conducted through the 4-H/FFA registration page on our website to ensure a seamless and convenient experience. There are two ways for members to access the page to sign up for our program:

1. **Online Registration:** Go to the Coastal homepage, scroll down to the bottom, and under “Resources” click on “FFA and 4-H Member Discounts,” and fill out the application.

2. **In-Store Event Registration:** Alternatively, members can access the 4-H/FFA registration page at an in-store event by scanning the provided QR code that will direct them to the registration page.

We look forward to supporting the projects and endeavors of those who choose to join.

Warm regards,

Coastal Stores
