

# OSU Extension Service | Small Farms Program

## COASTAL FORAGE SPECIES IDENTIFICATION WORKSHOP

The OSU Extension Service, the Natural Resources Conservation Service (NRCS) and Euchre Creek Farm invite you to attend this workshop to learn more about coastal pasture management.

This workshop takes place outdoors (unless actively raining), so please dress for weather!

***This is a FREE workshop***  
*Please register by May 10, 2024*

Friday, May 24, 2024  
2PM - 5PM  
*(with on-farm dinner to follow)*  
Euchre Creek Farm  
19585 Siletz Highway  
Siletz, OR 97380

At this workshop, you can expect to:

- Hear from local coastal farmers about their pasture management practices,
- Practice identifying common coastal forage pasture species,
- Learn about forage species that do well in coastal conditions,
- Enjoy a farm-fresh meal with other local farmers and resource providers.
